Sir:

The Examiner's attention is directed to the references which are listed on the attached Form PTO/SB/08A and/or PTO/SB/08B and copies of which are attached. An English Language Statement of Relevance is included for patent document DE976137.

Citation of these references is respectfully requested.

No concession is made that these documents are prior art, and Applicant expressly reserves the right to antedate the documents as may be appropriate.

Respectfully submitted,

Julie A. Haut

English Language Statement of Relevance

The invention in DE 976 137, cited in the accompanying Information Disclosure Statement relates to a radial drilling machine having a column carrying a radially moveable extension arm 14 onto which a drill head housing 18 is mounted. An electrical cable is lead in a freely hanging manner from the top of the column to the drill head housing 18.
